FICTIONAL MANUFACTURING PRODUCT - DEMO ONLY
PUMP-100 | ClearFlow centrifugal pump
Category: Pump
Product overview

Transfers clean process water in manufacturing cooling loops.

Illustrative flow 120 litres per minute; head 35 metres; 316 stainless steel wetted parts; 3 kW motor.

FICTIONAL MANUFACTURING PRODUCT - DEMO ONLY
PUMP-100 | ClearFlow centrifugal pump
Category: Pump
Applications and limitations

Cooling-water circulation and clean-water transfer. Not specified for abrasive slurry or hazardous fluids.

This is invented demo data, not a real manufacturer datasheet.

Do not use these specifications for selection, installation, or operation.
